The Fireproof movie phenomenon has created a wave of enthusiasm for stronger marriages in communities across America and a wave of optimism in churches that we know what it takes to reverse the unacceptable tide of divorce and family breakdown. Couples in your church are hurting. Learn how to help them when the movie is over, the lights come on, and they must face the realities in their own marriages. How can your church help? What about next week and next month?

The Fireproof Institute believes that churches are the engine that will get the job done. It is designed specifically to help churches launch and sustain powerful marriage and family strengthening programs. Come and learn about:

- 🔥 A rich variety of Marriage Education programs that are effective, affordable, and easy-to-teach!
- 🔥 How to recruit and train Mentor Couples to teach the courses to couples at all stages from dating to engaged, newlywed to new parents, stepfamilies to couples in deep distress.
- 🔥 Do's and Don'ts - a roadmap for success.
